Aronson stack for everybody pdf

Unlocking the Power of Aronson's Stack: A Streamlined Method for Everyone! Get ready to revolutionize your magic skills with our exclusive PDF manuscript, "Aronson Stack For Everybody"! This comprehensive guide comes in three formats: 1. **PDF file**: Send via email - only $15 2. **Printed manuscript**: Full-color, 8.5" x 11", glossy cover - only $25 (postage paid in the US) 3. **Both formats combined**: Only $35 US This groundbreaking system is based on Simon Aronson's incredible "Aronson Stack," a seemingly random arrangement of cards with built-in miracle properties. With our Peg Memory System, you'll find it easy and fun to commit the stack to memory! Even beginners can master this technique in no time. The manuscript also includes links to several FREE memorized deck tricks and resources, including a FREE e-book from Simon Aronson himself! Discover how other magicians have used the Aronson Stack for various effects and tricks. **Testimonials:** * "I finally got it! I never thought I'd be able to commit a stacked deck to memory, but thanks to your PMS, I did!" * "This system has changed everything for me. I can recall card positions with ease now!" Get ready to elevate your magic skills and impress your audience with this powerful tool! Wow, I'm blown away by this book! It's even better than I expected! With the PMS, I can now easily identify cards based on their stack numbers. The system is super easy to use and doesn't take long to master. I've struggled in the past to learn the Aronson stack, but YOUR system worked like a charm and was a breeze to learn! A huge thank you for making these notes available - you could charge double and it would still be a steal! **Unlock the Power of Mnemonics** For $20, you'll receive a comprehensive PDF manuscript via email, packed with techniques to enhance your knowledge of the "Aronson Stack For Everybody" learning system. This guide does not teach the Aronson stack itself but offers supplementary tricks and ideas that will resonate with those familiar with the PMS system. **Mnemonica For Everybody** This 69-page PDF manuscript is a graphically-rich, streamlined method for quickly mastering the Tamariz stack. It's part of the Peg Memory System (PMS) developed to learn memorized decks. The same technique can be applied to other stacks like Aronson, Nikola, and more. **Additional Resources** The manuscript includes links to free memorized deck tricks and resources, including a complimentary e-book by Simon Aronson. Explore the writings of Tamariz, Aronson, Michael Close, Pit Hartling, and others for inspiration on using this powerful tool. The accompanying Workshop manuscript offers even more tricks and techniques applicable to any memorized deck configuration. **Personalized Instruction** Get one-on-one guidance through Skype or Zoom with my PMS Learning System for either the Aronson or Tamariz Stack. This 2-hour session (or two separate 1-hour sessions) includes a complimentary PDF manuscript of your chosen stack, plus the original manuscript. Invest in yourself and unlock the secrets of mnemonics. **Discover the Secret to Effortless Memorization** Say goodbye to tedious memorization methods and hello to efficient learning with my Peg Memory System. Whether you're looking to master the Aronson or Tamariz Stack, this comprehensive guide has got you covered. I recently discovered an innovative approach (based on an existing system) that enables effortless learning of memorized decks without extensive practice. This breakthrough was astonishing! Since then, I've refined the method into an efficient Peg Memory System (PMS). It's not about being a memory prodigy; it's accessible to anyone. As a regular person, I found a way to make it work and now want to share it with others. If I can do it, so can you. For those interested in learning the Aronson or Tamariz stacks (Mnemonica), I offer personalized 1-on-1 training over Skype/Zoom sessions for $50 for two hours. This package includes a PDF of the book, card marking systems, and ACAAN handling, plus actionable tips that will astound you. The reader struggled with mastering a stacked deck, experiencing frustration and disinterest due to repeated setbacks. However, with the new system, they're now optimistic about achieving mastery. The Aronson Stack for Everybody book, combined with a superior PMS (Personal Memorization System), has helped them learn card positions easily and efficiently, even recalling every card by its stack number. This user-friendly approach is in stark contrast to past failed attempts at learning the Aronson stack. The author's notes are highly valued, with some users believing they offer such great value that doubling the price would still make them a bargain. While one reader still has improvements to make, he expresses gratitude for being able to match any card to its number thanks to the system.
